The Summit & Awards is our annual themed intersectoral stakeholder event that acknowledges the success stories of the current year's social and development projects.

It highlights the common goals of the development, community, government, public, private and political sector.

WHAT

The Summit & Awards is our annual themed intersectoral stakeholder event that acknowledges the success stories of the current year's social and development projects.

HOW

- Pool current data from stakeholders.
- Identify lacking demographic data.
- Collect new demographic data through regional connections.
- Conduct surveys on persisting needs per community.
- Partner with key stakeholders in the information and data spaces.
